

Bringing your imaginative ideas to life with
boundless imagination and innovative thinking
is a remarkable journey that thrives on the
synergy of innovation.

About us

IN TODAY'S DIGITAL ERA, CONNECTIVITY PLAYS A CRUCIAL ROLE IN THE SUCCESS OF ANY BUSINESS. AS COMPANIES ADOPT EMERGING TECHNOLOGIES LIKE ROBOTICS, DRONE, AR/VR AND IOT, SEAMLESS MOBILITY, RELIABLE HIGH BANDWIDTH CONNECTIVITY AND SECURE COMMUNICATION BECOMES CRITICALLY IMPORTANT. WITH THE EMERGENCE OF PRIVATE 5G, COMPANIES NOW HAVE ACCESS TO LIGHTNING-FAST CONNECTIVITY ALONG WITH MOBILITY – FASTER THAN ANYTHING PROVIDED BY TRADITIONAL WI-FI NETWORKS. PRIVATE 5G OFFERS RELIABLE AND SECURE CONNECTIVITY, WITH THE ADVANTAGE OF BEING MORE RESPONSIVE AND FASTER. THERE ARE A FEW REASONS WHY ENTERPRISE CONNECTIVITY NEEDS TO EMBRACE PRIVATE 5G.

We are associated with the following manufacturers:

U M Cables has carved a niche in the sphere of communication via cables (Telecom Cables). Securing almost two decades of experience in the telecom cable industry, they have world class manufacturing facility for high quality fiber cables manufacturing conforming to various international standards.

RPG Cables, now **KEC International**, manufactures Optic Fiber and Jelly Filled Copper Telecom Cables for the Telecom Network of Basic Telephone companies. Their reliable and superior quality cables ensure the continuity of supply and longevity of distribution network.

All products & processes, from the order finalization to the consignment delivery, adhere to ISO 9001-2000 and ISO 14001-2004 quality systems.

We stock telephone cables up to 100 pair (Armoured and Unarmoured) in 0.4mm/0.5mm. We can also design and deliver cables according to customers' requirements.

What we Provides

Fiber Optic Cable

We are offering wide range of Optical Fibre Cable. The Fiber Management Solutions we offer is suitable for....
